CELLUX

24PHOTO STATION

The "WINDOW" 24PhotoStation kiosk with monitor, anti-breakthrough touch screen and vandal-proof casing, is a unique product that allows you to print your photos on your own and in total privacy with the guarantee of SONY quality. The second monitor at the front can be customized with advertising spots created by the manager.

Payment can be made with bank notes, coins or rechargeable magnetic cards. The kiosk can be installed on the window, on a wall or even outside and moved where required thanks to the wheels with which it is equipped.
